

The Elves of Epping Primary School are back!

This year our Elfridges shopping experience will be during the school day on **Thursday 26th November**.

Our elves will be delivering a wide selection of new, quality gifts to school that we know our pupil's parents/carers, grandparents, aunts, uncles, other special adults, siblings, and friends too will love!

All pupils will be invited to come along to our 'Elfridges' shop and helped to select and wrap a present for a loved one, which can then be given as a surprise at Christmas.

The cost per gift is £4.00 and there is no limit to the number of gifts per pupil.

If your child would like to take part in this experience, please ask them to complete and decorate the tag/s below and return to their class teacher by **Tuesday 24th November**.

Payments can be made by either bank transfer (details below) or the correct cash handed in to the teacher/office when handing the labels in.

The Friends of Epping Primary School

600739

50170929

Printed tags if you do not have a printer at home are available from the school office if required.

(It would be appreciated if tags could be cut out ready to stick on the gift!)
